## July 25<sup>th</sup> is the feast of *Saint James*

St. James the Greater and his brother John were partners with Peter and Andrew and lived in Bethsaida, on the north shore of the Sea of Galilee. How and where James first met Jesus, we do not know; but there is an old legend that makes Salome, his mother, a sister of Mary, and if this were the case, he would have known Jesus from childhood.

Along with Peter and his brother John, James was part of the inner circle of Jesus, who witnessed the Transfiguration, were witnesses to certain of His miracles, like the raising of the daughter of Jairus, and accompanied Him to the Garden of Gethsemani.

Scarcely a dozen years after the Resurrection, he was arrested and executed by King Herod Agrippa. Jesus had foretold this kind of fate when He prophesied that James and his brother John would “drink of the same chalice” of suffering as Himself. The two brothers had asked to be seated at the right of Jesus and at His left in His kingdom, and Jesus told them that they would be with Him in a far different way than they expected.

James is the only Apostle whose martyrdom is recorded in the pages of the Bible, the first of that chosen band to give his life for his Master.
