The Assumption of the Blessed Virgin Mary

On November 1, 1950, Pius XII solemnly proclaimed as a divinely revealed truth “that the Immaculate Mother of God, the ever-virgin Mary, on the completion of her earthly life, was assumed body and soul into heaven,” defining the dogma of the Assumption. Thus he solemnly proclaimed that the belief definitively forms part of the deposit of faith, received from the Apostles. To avoid all that is uncertain the Pope did not state either the manner or the circumstances of time and place in which the Assumption took place — only the fact of the Assumption of Mary, body and soul, into the glory of heaven, is the matter of the definition.
